**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't give into corporate greed. Let the smaller players compete and give consumers alternative options!

Broadband services are very limited and you can see how this affects pricing and how poor customer service from these giant companies are. Please do not let greed win and allow competitive alternatives.
